

Address to the **GOVERNMENTS OF THE WORLD**

- 1.** Governments must sign no indemnity agreement with any medicinal organization or vaccine corporation/makers.
- 2.** No Emergency Use Authorization (E.U.A.) of any vaccine and vaccine related products must be mandated in any way, neither by government nor businesses who are usually given the green light from governments.
- 3.** Any government-paid expert must be balanced with experts that have no affiliation with government payments. They must be independent of government-controlled information.
- 4.** There must be no internet or public media censorship of other views concerning the pandemic.
- 5.** There must be no government ban in using other cures which individual physicians or doctors may see fit according to their knowledge.
- 6.** The input of the World Council for Health (W.C.H.) must be taken into any information about any pandemic or medical emergency.
- 7.** The World Health Organization (W.H.O.) must not run the public health of individual Countries as if they are the ministry of health of individual Countries.

- 8.** The World Health Organization (W.H.O.), the Centers for Disease Control and Prevention (C.D.C.), the National Institutes of Health (N.I.H.), the Food and Drug Administration (F.D.A.) and other regional health institutions should not be relied upon by governments as the infallible and only source of scientific information. Independent sources not affiliated to drug corporations must be referred to also.
