INTRODUCTION

Today we are faced with severe attacks against our rights and freedoms, we are faced with extreme anti Christian discrimination, as equality under law rapidly disappears. We are facing gender wars, wars on marriage, sexual identity, and masculinity, and Christianity is gradually being criminalized. This is the image of the new society that is emerging as the New World Order is being formed.

It is a society formed by Lucifer and Godless men, we call it Lucimanism. We are to fight continuously by faith against this unnatural effort to destroy Christianity by the Illuminati.

Scripture truths and the love of God dwelling in our hearts is the only way to deal with the New World Order, and we must ensure that we are disciplined in our human personality traits. May God have mercy on us as we face the assaults of the King of the South and the King of the North with the Holy Spirit dwelling in us. Amen.

LUCIMANISM

(A LUCIFERIC SOCIETY)

1. As we move closer to the end, we have to face a power called the **scarlet coloured beast** that made war upon the First and Second Witnesses (the Bible). Revelation 11:7,8; Revelation 17:3,8.

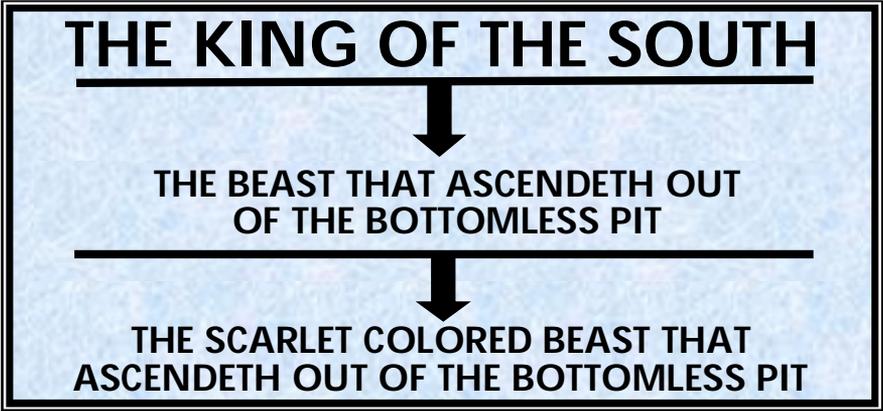

2. Of this power we are told.

“At the same time anarchy is seeking to sweep away all law, not only divine, but human. The centralizing of wealth and power; the vast combinations for the enriching of the few at the expense of the many; the combinations of the poorer of the classes for the defense of their interests and claims; the spirit of unrest, of riot and bloodshed; the world-wide dissemination of the same teachings that led to the French Revolution—all are tending to involve the whole world in a struggle similar to that which convulsed France. Such are the influences to be met by the youth today. To stand amidst such upheavals they are now to lay the foundations of character.”

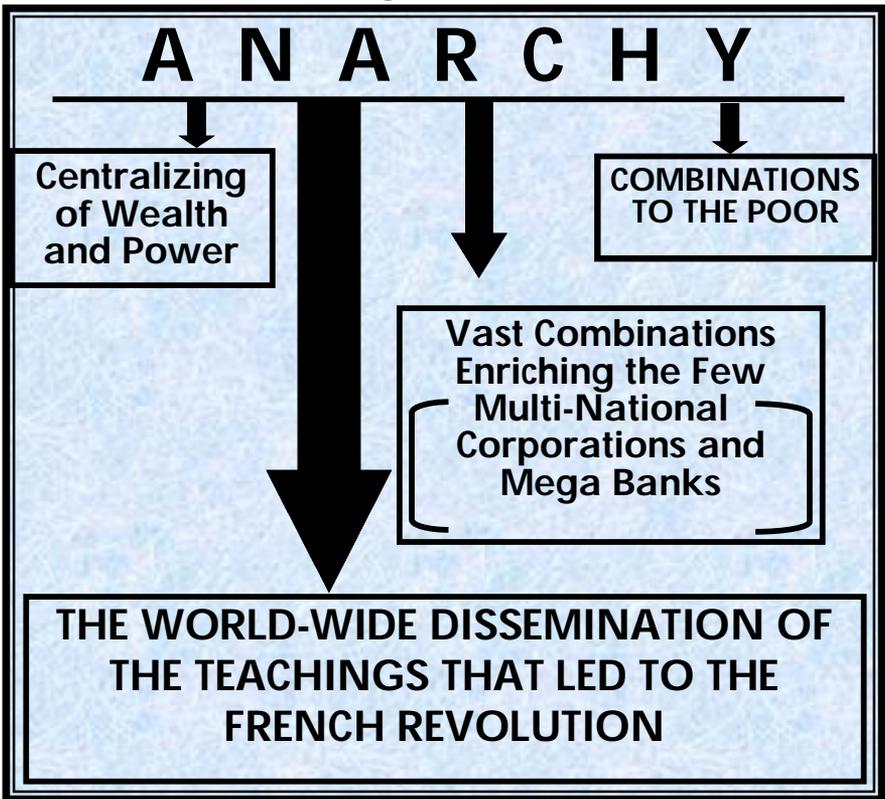

Ellen G. White, **Education**, p. 228.

3. Here are three identifications of the **forces of the recalcitrant ungodly** in the Bible. Daniel 11:40; Revelation 11:7-11; Revelation 17:3,8.

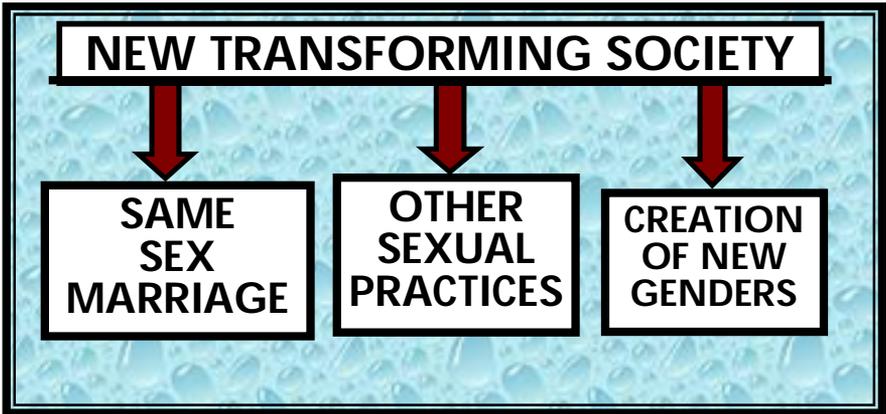

4. Here is a chart of the problems that are destroying the world to bring it like France in 1798.

5. A new society is currently forming, and the greatest evidences of this is what we call the legislation of same **sex marriages**, other **sexual practices**, and the creation of **new genders**. Observe this chart.

6. This is some of the social teachings that led to the French Revolution. We are told that the **sexual**

revolution led to the **demoralization** of the people thus to revolution.

“What began as the bondage of sin eventually became financial control and what became accepted as a financial transaction has been forged into a form of political control. Sexual revolution is contemporaneous with political revolution of the sort that began in France in 1789.” E. Michael Jones, **Libido Dominandi Sexual Liberation and Political Control**, p. 2.

“In other words, sexual “freedom” is really a form of social control...sexual liberation is a form of control, a way of maintaining the regime in power by exploiting the passions of the naïve, who identify with their passions as if they were their own identity with the regime which ostensibly enables them to

gratify these passions.” **Ibid**, p. 2.

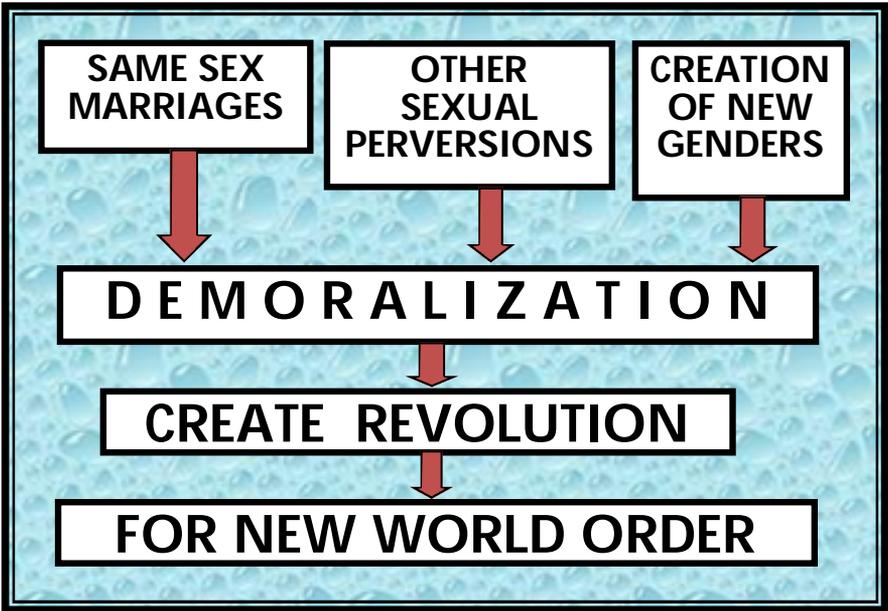

7. The same-sex and gender revolution in the world today is the evidence that society is being engineered to global revolution for a new world order. Like the sexual causes of the French Revolution, so we are having a **new sexual cause** that will bring changes in society. We are told the following concerning the French Revolution when it was in swing at that time.

“Freedom in 1791 meant “*La Foutromanie*,” which could be translated as the freedom to f**k. Given the fact that passions drove the revolution, it was not surprising that the first expression of freedom the revolutionaries chose to exercise was freedom from sexual restraint.” **Ibid**, p. 29.

“The sexual revolution was not a grassroots uprising; it was not the coalescing of “particles of revolt and enlightenment”; it was rather a decision on the part of the ruling class in France, Russia, Germany and the United States at various points during the last 200 years to tolerate sexual behavior outside of marriage as a form of insurrection and then as a form of political control.” **Ibid**, p. 3.

8. Thus the following chart explains why people of conscience and Christians by law, are being forced to corporatize with the sexual revolution currently taking place. It is to bring about the demoralization of society to create the new world order through revolution.

9. Thus the **society** we see now forming we have seen the necessity to call it “**Lucimanism**”. This is a combination of the two words “Lucifer” the first great rebel and “**Humanism**” the exaltation of man as god.

10. The term **Lucimanism** refers to the type of government of the forces of the recalcitrant ungodly that replaces **Republicanism**. It is modern Communism. **Communism** is a type of governance that claims that man has **no Rights and Freedoms**, but what may be given by the state.

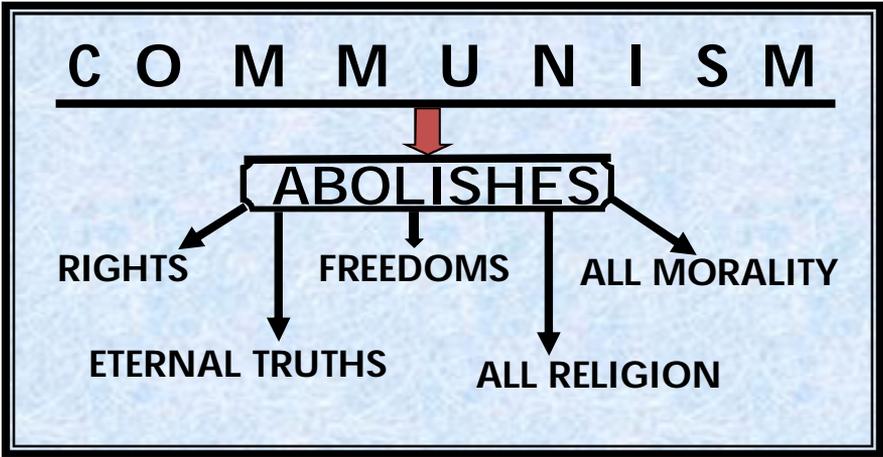

“And the abolition of this state of things is called by the bourgeois, abolition of individuality and freedom! And rightly so. The abolition of the bourgeois individuality, bourgeois independence, and bourgeois freedom is undoubtedly aimed at.” Karl Marx and Friedrich Engels, **The Communist Manifesto**, p. 98.

“The ideas of religious liberty and freedom of conscience, merely gave expression to the sway of free competition within the domain of knowledge... There are, besides, eternal truths, such as Freedom, Justice, etc., that are common to all states of society. But Communism abolishes eternal truths, it abolishes all religion, and all morality, instead of constituting them on a new basis; it therefore acts in contradiction to all past historical experience.” **Ibid**, p. 103.

11. **Humanism** is the same as **Communism** according to Karl Marx. But it also makes the people their own god. We are told:

“The People is the Sovereign and God of the world; France is the center of the People–God; only fools can believe in another God...” Robespierre, quoted in, Robert Sessler, **To be God of One World**, p. 39.

12. We have called that social system by the name **Luci** from Lucifer because it is he that is remaking the world to show that he is God with God according to his original rebellion, it is Lucifer that has taught man this **rebellion**. We are told:

“And now it stands proven that Satan, or the Red Fiery Dragon, the Lord of Phosphorous...and Lucifer or “Light Bearer”, is in us: it is our Mind-

our tempter and Redeemer, our intelligent liberation and Savior from pure animalism.” Helena P. Blavatsky, **The Secret Doctrine** 2, p. 513.

“In his relation with the Earth, he is, on the contrary a god himself, a friend of mankind, which he has raised to civilization...” Ibid, p. 526.

“...the “Serpent” was “the Lord God” himself, who, as the Ophis, the Logos, or the bearer of divine creative wisdom, taught mankind to become creators in their turn.” **Ibid**, p. 215.

13. **Lucimanism** is the **Luciferic society**, the type of emerging **Communism** that is currently replacing Republicanism in the United States, and in Europe. Such a society has certain **principles** and **practices** that we shall outline.
- i. **Rights** are **desires** or what one wishes to do.
 - ii. **Freedoms** are **license** to pursue desires.
 - iii. **Discrimination, offence** and **hate** are committed only by those people (preferably Christians) who speak and practice morality.
 - iv. **Genders** are psychologically and mentally created.
 - v. The Family is **whosoever** or **whatsoever** a person chooses to cohabit with.
 - vi. Christianity is a **mental illness** and a **social disease**.
 - vii. **Nakedness** is beauty.
 - viii. **Feminism** is superior to **Masculinity**.
 - ix. **Heterosexualism** is inferior to **Pansexualism**.
 - x. **Misinformation** (lying) is the means of

Successful governance to achieve a conspired aim.

xi. **Conscience** has no personal or **societal** role.

xii. **Legal rulings** as a necessity overrides **religious liberty**.

xiii. Preaching **Christianity** or a **Christian world view** is **offensive**.

xiv. Government is the dictator and regulator of social change.

14. Thus under the emerging **new Communism** we call **Lucimanism** we have the following crisis points.

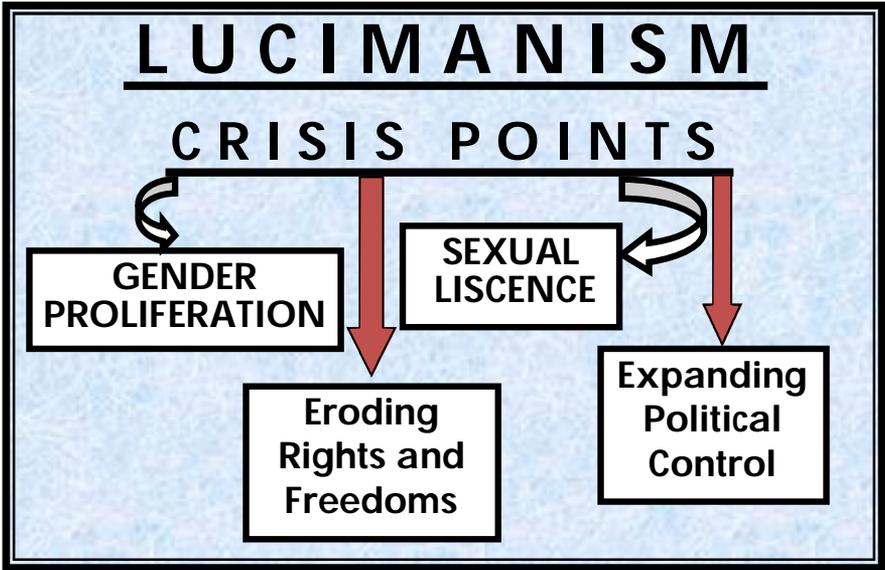

15. The Scripture that explains this current global change is Psalms 2. Here is a better translation of the following relevant verses.

“Why do the heathen [nations] rage [conspire], and the people [nations] imagine a vain thing?

The Kings of the earth set [station] themselves, against YHWH and against His Anointed saying, Let us break [tear] their bands asunder, and cast their cords [ropes] from us.” Psalm 2:1-3.

a. What these verse show are the following:

i. The **nations** of the world are in **conspiracy**. **Conspiracy** means various parties of men

agree and set plans to achieve a goal, this is done in **secret** from the masses of the people.

- ii. The “nations” and the “kings of the earth” in conspiracy means that there is a **global conspiracy** with the **leaders of the nations of the world**.
- iii. Setting or **stationing** themselves **together** means it is a hard **global cooperative stand**; this is an **ideological position** (because ideology means a developed and defined position).
- iv. Set (take) **counsel** means **developing** and **instituting** of **global policies** to deal with the necessary relative issues.
- v. Against YHWH and His Anointed reveals a **conspiracy** of global scope against YHWH

and Christ. But in this conspiracy, belief in other gods and in **Baphomet** are state propagated and sanctioned as diversity and equality.

vi. Christianity and Christ are increasingly spoken against even to the point of blasphemy, while Christianity is **increasingly marginalized** and targeted with restrictive legislation.

b. In this **anti-YHWH** and **anti-Christian** crusade the following is true.

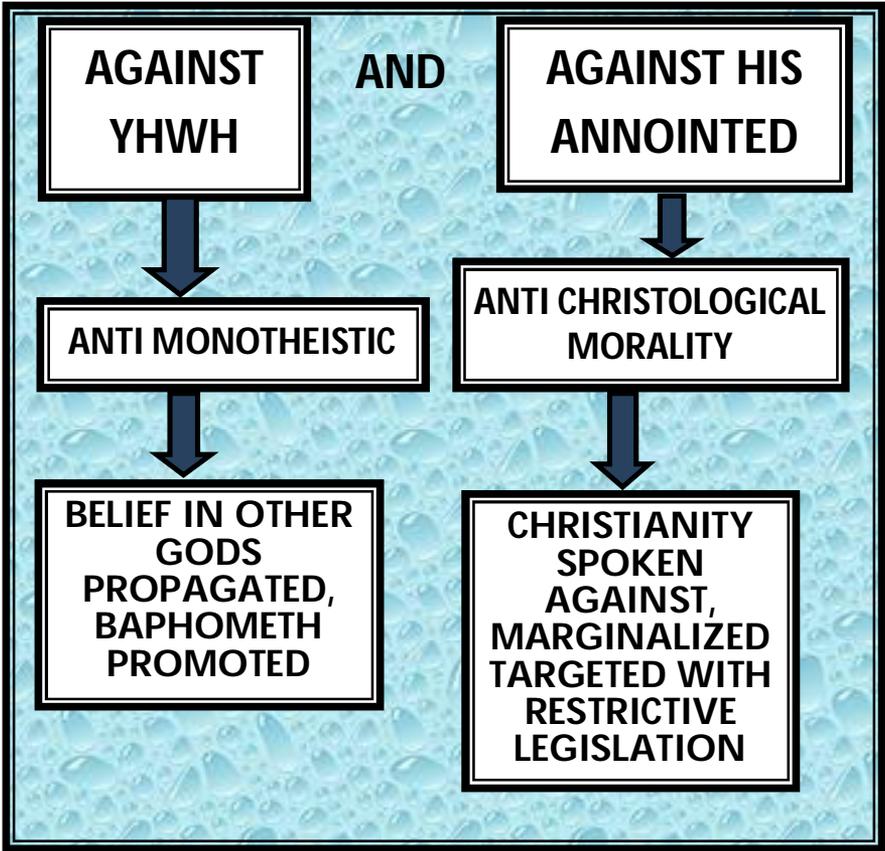

i. Discrimination does not apply to Christians and Christianity.

ii. Christians are forced to cooperate and sustain various forms of immoralities under the claim of “no discrimination”.

iii. Public disagreement with Christianity is touted as **freedom**.

iv. Religious freedom or liberty does not include it speaking against the policies and perversions of the New World Order.

v. There is a rush for state and government recognition of **sexual perversions** and **gender fluid perversions**.

- vi. Public disagreement and speaking against Sodomy and/or corrupted **gender ideas** is **hate** and thus should be penalized.
- vii. Criticism of Islam is **Islamophobia** and hate. The state discourages it.
- c. We see clearly that the **New World Order**, a **One World Government** or **Globalism** as it is called is at the heart **anti-YHWH** and **anti-Messiah**.
 - i. Thus the emerging of **Lucimanism** is **anti-Christianity Secularism**.

ii. The type of **global government** is in fact an **anti-Christian Secularism**.

d. We are told that the **ungodly** leaders and rabble are seeking to sever the “cords” that yet **connect** them to YHWH and to Christ. Here is the meaning of the word **cords**.

“**abot**... A common noun meaning a rope, a cord, a line... It is used figuratively of political or military binds or ropes (Ps. 2:3); but also of relationships of love and tender care from the Lord.” Warren Baker and Eugene Carpenter, **The Complete Word Study Dictionary Old Testament**, pp. 802-803.

e. Basically these are the typological cords that **connect sinful man** to God that He may be able to speak to him convicting him of sin and of righteousness. These **cords** are **social** and **personal** connections to God as man was created in the beginning. Here are some examples.

i. God created **male** and **female**, just **two genders**. Gen 1:27

ii. But now we have more than fifty new “genders” (as called) all **encouraged** and **sustained** by the state through legislation. Here are some:

Bigender

Androgyne

Demiagender

Neutrois

Polygender

Epicene

Transgender

Femme

| | |
|--------------------------|----------------------|
| Agender | Butch |
| Intergender | Aliagender |
| Demiboy | Demiagenda |
| Demigirl | Travesti n-b |
| Genderfluid | Hermaphrodite |
| Third Gender | Cis/Cisgender |
| Gender queer/ Non-Binary | Female to Male/FTM |
| Pangender | Gender Nonconforming |
| Gender Questioning | Intersex |
| Male to Female/MTF | Neither |
| Other | Transsexual |
| Two Spirit | Lesbians |
| Asexuals | Pansexual |
| Transmales | Transhumans |
| Transfemales | Interfemales |
| Intermales | Interwomen |
| Intermen | 4th Gender |
| XY-Women | Transvestites |
| CrossGender | ZeroGender |

iii. God created **marriage** based upon only **two genders** male and female. Genesis 2:21-24; Matthew 19:4-6.

iv. But now we have **many types** of what is called “marriages” occurring. We have:

Same-sex marriages/ male to male, female to female.

Humans with animals (dogs and cats).

Human with self.

Human with the sea.

Human with bridges.

Brother and sister (coming soon).

Parents and children (coming soon).

v. God created sex to be between **male** and **female** only. But the state has legalized sex between the following:

male and male (homosexuality/sodomy).
female and female (homosexuality/sodomy).
humans and animals (bestiality).

vi. By the use of the **law** to force people who are straight to **comply** and **aid** those who are in devious sexual, gender and marriage practices, governments are causing men to cast off their **consciencess** to please those who use **offense** as their complaint with **discrimination** and **hate**. Thus men are made sinners by law. Isaiah 29:20,21.

vii. No amount of appeasement of the wicked stops them. Their **offense** increases more and more, and so is their unjust dealing with innocent people. Isaiah 26:9,10.

viii. Here are the cords that connect man to God that Globalism is seeking to destroy.

16. However, the Global New World Order **Lucimanism** very shortly comes into **self destruction**. Revelation 17:8,11.

17. Now the following Scriptures instruct us into God's response to emerging **Lucimanism**. Psalms 2: 4-12.

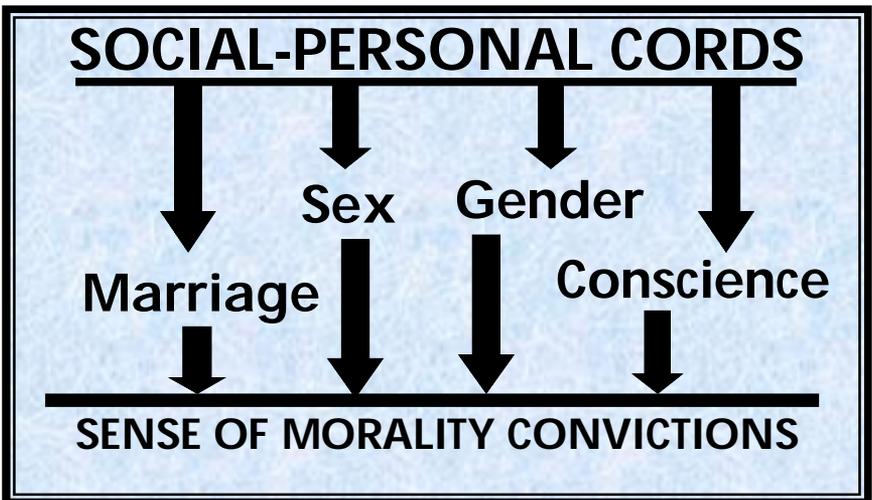

18. Here are **sexual orientations** that destroy the sex cords and others that connect humanity to God.

19. **Lucimanism** is indeed a **Luciferic** society, because Lucifer is at the head of developing just what kind of society he wants.

“...the Grand Architect of this diabolic endeavor is none other than Lucifer Himself. This understanding then is not a conspiracy of any one organization plotting to take over the world. Yet it is a “type” of conspiracy—a satanically inspired effort with Lucifer, or Satan, at the helm.” Gary, H. Kah, **The Demonic Roots of Globalism**, p. 164.

20. **Lucimanism** is Humanism as led by Lucifer as an emerging government to replace Republicanism. It is Communism.

“...but Lucifer, God of light and God of good, is struggling for humanity...” Albert Pike, quoted in, A. Ralph Epperson, **The New Word Order**, p. 64.

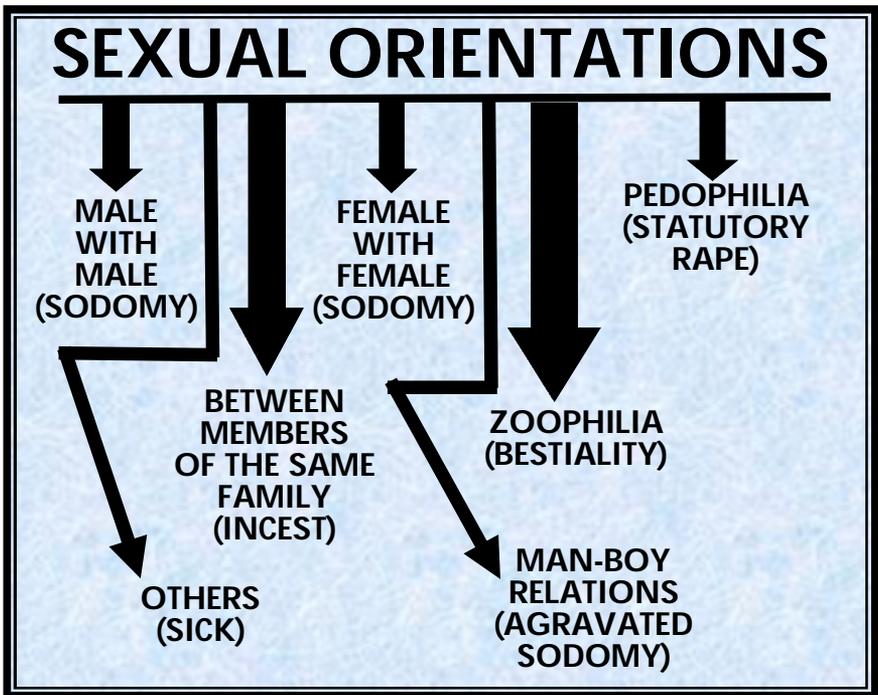

21. Lucifer's plan in this new society is as follows.

“...the Plan-Lucifer's Plan to rule the world and gain the worship of man.” Jobe Ralph Martin, **A Theological Analysis of the New Age Movement**, Chapt, 3, p. 13.

22. In all this Lucifer is seeking to be God with God.

“The law of New Being reconciles the “yes” and “no”, right and wrong, good and evil, and brings the concept of God and Satan together in harmonious

resolution, integrated totally under the law of One. The Law of New Being acknowledges the return of Lucifer to the Godhead of source of all Being...”
